Dedication

His Excellency, Bishop John Mark Gannon, serves not only as Chancellor of Villa Maria College but as its steadfast friend and shepherd. Upon the occasion of his annual visit to the college Bishop Gannon joins, in true Christ-like spirit, the rejoicing of his flock and begs that they, as Catholic Women, lead good Christian lives.

On commencement night this world known educator returns to confer degrees upon the graduating candidates and to wish them well in their chosen states of life.

We know that Gannon Hall, named for him, must hold a very special spot in the Bishop's heart, and we are proud to be a part of Gannon Hall.

It is with love for him and a sense of dependence upon him that we, the class of 1949, dedicate our Senior Memory Book.

Mother Aurelia, Superior

PRESIDENT OF THE COLLEGE

As one who sanctions all activities, Mother Aurelia has directly and indirectly influenced our spiritual and secular lives. As a symbol of the religious life she represents, she is a guide to the realization of life's goal. She has worked devotedly for the spiritual and intellectual life of Villa Maria College.

Sister M. Doloretta

DEAN OF THE COLLEGE

As dean and teacher, Sister M. Doloretta has worked diligently for the advancement of her students. Her thoughtful talks on our true mission in life have led us to a greater appreciation of the works of God. As a wise counselor, she has made us realize the need of personal responsibility in life. As a civic leader, she has been prominent in her contributions to our cultural life.
